THINGS TO KNOW

Once the venue is booked for your event, no other events will be booked for the same day. The tasting room will remain open during regular business hours unless prior arrangements to pay for an early closing have been made

We can comfortably accommodate up to 120 guests.

We provide an on-site manager to ensure the venue runs smoothly. This is a representative of the winery, NOT a wedding coordinator. You are responsible for hiring your own wedding coordinator (required) for the weekend, along with all set-up/clean-up crews.

We have a great list of preferred vendors for all your wedding needs. If you wish to use vendors outside of this list, they will need to be licensed, insured, and approved by Parrish Family Vineyard.

San Luis Obispo County ordinance mandates all “plugged in” music be shut down by 10 PM. Guests are to vacate by 11 PM.

Spirits are not permitted on site. Beer and wine must be purchased through the venue. All alcohol must be served by a licensed and insured bar service.
